WORKS UPDATE

GAS SERVICE RELOCATIONS, BOWEN CRESCENT

Please be advised that low pressure gas main works will commence on Bowen Crescent from Friday 11 August following the recent completion of high pressure gas main works.

Works will involve saw-cutting the road surface, excavating down to the required depth and carrying out works on the low pressure gas main. There will be no impact to essential services during works.

Construction partners:

MMEW-JHG-DM-NTF-STK-0070

Access to building driveways will be maintained. Up to three car parking spaces will be temporarily occupied during this work. All non-residential eastbound vehicular traffic on Bowen Crescent will be diverted around our worksite via Queens Lane, while westbound traffic will be maintained. Please refer to signage in the area.

Works will take approximately one week to complete during normal construction hours (7am – 6pm, Monday to Friday and 7am – 1pm Saturdays).

If you have any questions please call the Metro Tunnel Project Information Line on **1800 551 927**.
