## WORKS UPDATE

### SERVICE RELOCATIONS

Further to the notification issued on 11 August 2017, communications service relocation works that commenced yesterday on St Kilda Road between Bowen Crescent and Bowen Lane have had to be postponed. The works have been postponed to clarify some further elements of the design.

Over the next two days we will need to do some further service proving within the footpath adjacent 390 St Kilda Road, following which the works will be rescheduled and you will be notified.

While fencing will remain in place within the footpath, we will work to re-open kerbside car park spaces for community use following service proving.

If you have any questions please call the Metro Tunnel Project Information Line on **1800 551 927**.
