

WORKS UPDATE

UTILITY SERVICE RELOCATIONS AND EARLY WORKS

NOVEMBER 2017

Major works on the Metro Tunnel are underway to support construction of a new underground station in Domain.

John Holland is the Managing Contractor for this package of works, which includes the relocation and protection of underground services and the removal and storage of the South African Soldiers' Memorial.

Status of utility service relocation works

Upcoming works

Drainage works

- Service investigation works will take place on St Kilda Road, Bowen Crescent, Bowen Lane and Kings Way, from late November
- Drainage Diversion works will then take place to install a new drainage pipe beneath St Kilda Road, which will run across St Kilda Road and down Bowen Crescent
- Traffic impacts for this work will be the same as those currently in place for sewer diversion and water main works.

Ongoing works

Gas works

- Commissioning works on St Kilda Road, Albert Road, Park Street and Bowen Crescent are now complete
- Decommissioning works will be completed on Monday 27 and Tuesday 28 November. It will involve works on St Kilda Road, Albert Road, Bowen Crescent and Bowen Lane. This will require the short term occupation of kerbside carparking
- Permanent reinstatement works are continuing in all areas where recent gas works have occurred.

Communications works

- Civil works for the relocation and installation of communication conduits on St Kilda Road are now complete

- Hauling of all cables through the new conduits will be completed by the end of November.

South Yarra Main Sewer works

- The South Yarra Main Sewer works are nearing completion with the new sewer now in operation. Remaining works include decommissioning the existing main and completing shaft reinstatement works.

Removal and storage of South African Soldiers' Memorial

- The removal and storage of the South African Soldiers' Memorial will be completed by mid-January 2018. Currently the pavers have been removed with the obelisk and lion removal underway
- The John Cockbull Memorial drinking fountain will also be removed shortly.

Local sewer diversion and water main works

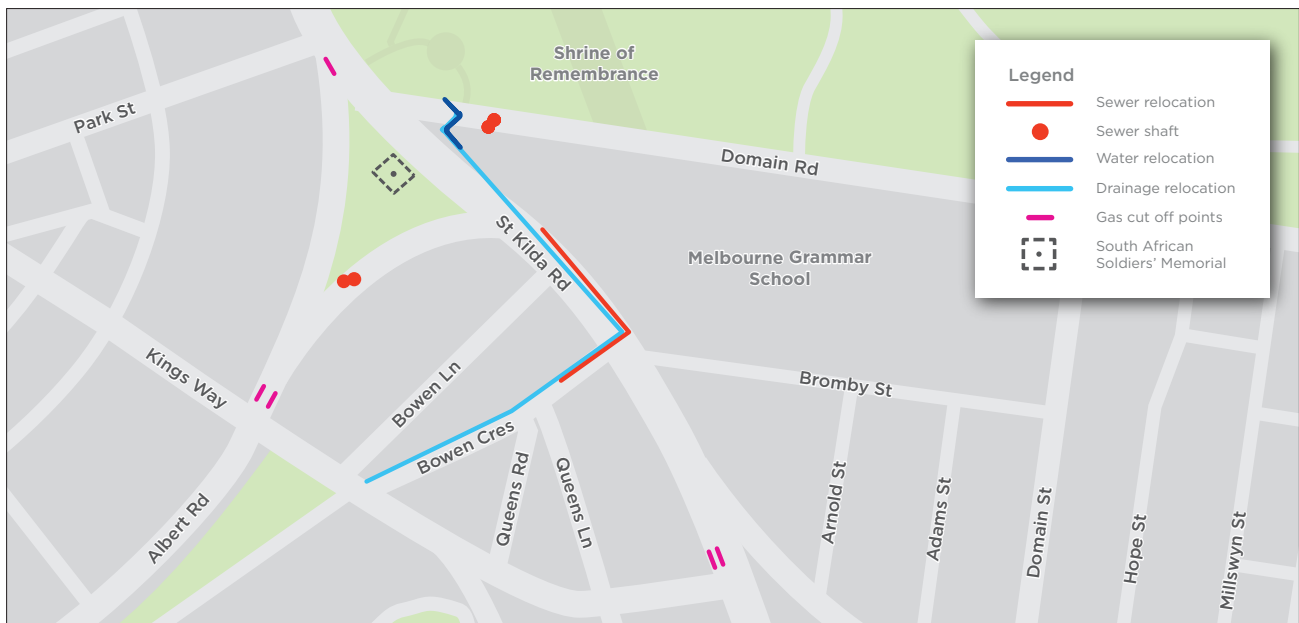

- Sewer diversion works to install a new sewer pipe beneath St Kilda Road, connecting into the existing network in Bowen Crescent have commenced
- Water main works on St Kilda Road adjacent sewer diversion works are also underway in the same area.

When

Construction works

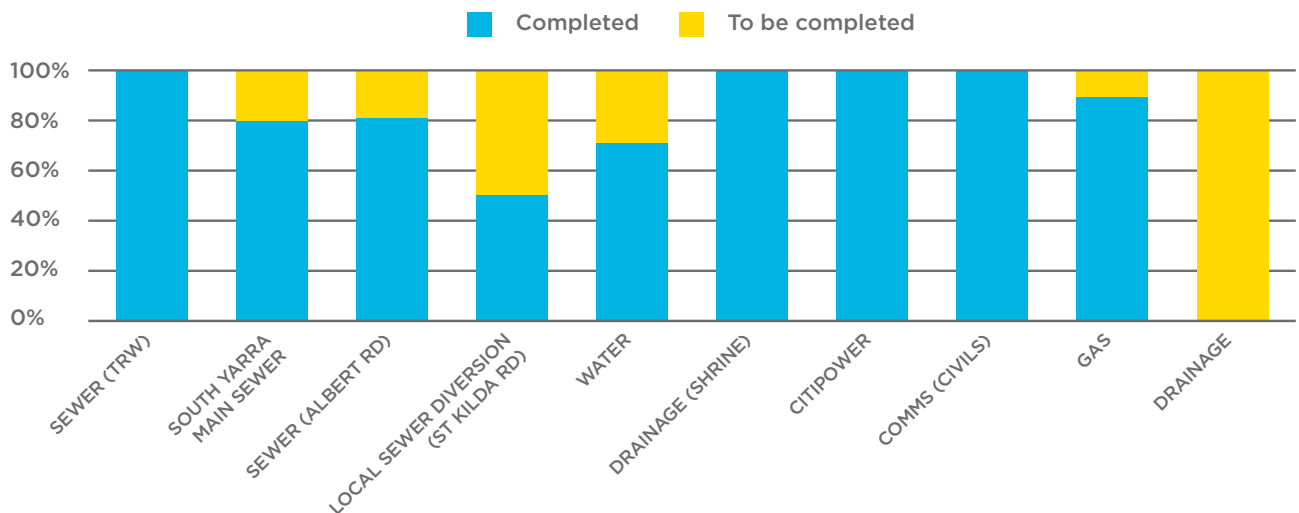

- 7am – 6pm, Monday to Friday
- 7am – 5pm, Saturdays
- 7am – 5pm Sundays, as required to minimise traffic impacts
- Should any night works be required, we will notify you in advance.

We would like to thank the community for its patience during these works.
