TRAFFIC UPDATE

BOWEN CRESCENT ACCESS

Further to the notification issued on 11 October for local sewer diversion and water main works, please be advised that Bowen Crescent will be closed between St Kilda Road and Queens Lane from Wednesday 8 November until Thursday 9 November.

This closure is required to ensure the safe construction of sewer shafts to support laser boring beneath St Kilda Road.

During this period Queens Lane and Bowen Crescent will be accessible from Kings Way. Access to The Botanica's driveway on Bowen Crescent will be maintained under traffic management.

We thank you for your continued patience while we complete these important works.

If you have any questions please phone the Metro Tunnel Project Information Line on **1800 551 927**.
