

IMPORTANT INFORMATION

UPCOMING NIGHT WORKS LIGHTING INSTALLATION

SUNDAY 6 MAY – FRIDAY 11 MAY

9PM – 5AM

Work in preparation for major construction of the new Anzac Station is continuing in the Domain Precinct.

Following feedback from the community about temporary lighting in the Domain precinct, we are bringing forward the installation of new street lighting on St Kilda Road. These works will involve the installation of lights on existing poles.

Works will take place from **9pm to 5am each day from Sunday 6 May to Friday 11 May**. Works will begin on Park Street, South Melbourne and the crews will progressively move up St Kilda Road over this time period. These works need to occur at night when traffic volumes are low, and in some locations while trams are not running.

These works are expected to generate low levels of noise.

Tram completion works

Sunday 6 May – Wednesday 9 May

10pm – 6am

A number of minor completion works need to be carried out after-hours while trams are not running. These works have been scheduled to coincide with the lighting installation to minimise night works.

These works include:

- Profiling and asphaltting works at the St Kilda Road intersections of Park Street and Bowen Crescent
- Installation of yellow tram kerbs on Park Street and north of the new tram platforms on St Kilda Road
- Bluestone kerb installation on Park Street
- Tram kerb patching in various locations along St Kilda Road between Albert Road and Bowen Crescent.
- Bluestone tile and tactile installation for the new Park Street tram platforms
- These works are expected to generate low to medium levels of noise.

Line marking

Tuesday 8 May – Friday 18 May

10pm – 6am

- Additional line marking on St Kilda Road between Albert Road and Bowen Crescent
- Green bike lane marking and red bus lane marking
- Water blasting for redundant line marking removal (**Wed 16 May**).

These works are expected to generate low levels of noise, with the exception of water blasting which will be high level of noise.

Traffic changes

Please be aware that these works will also include the following traffic changes:

- Closure of Albert Road North from **8pm Sunday 6 May to 12:30am Monday 7 May**
- Closure of the left turn from St Kilda Road into Park Street from **1am-5am Monday 7 May**
- Closure of access from Park Street onto St Kilda Road (both left and right turn) from **9pm Sunday 6 May to 5am Monday 7 May** (Please note that the left turn will be available for residents of the Hallmark Apartments to access their car park. Traffic controllers will be in place to enable the turn)
- Overnight closure of the left turn from Park Street to St Kilda Road from **10pm Sunday 6 May to 6am Monday 7 May**.
