

INVITATION

ONLINE COMMUNITY INFORMATION SESSION TUNNELLING IN SOUTH YARRA 6PM, THURSDAY 23 APRIL 2020

The project recently completed the first section of the Metro Tunnel, with tunnel boring machines (TBMs) Joan and Meg undertaking the 1.2 kilometre journey between Arden Station and the tunnel's western entrance in Kensington.

Tunnelling between Domain and South Yarra will commence in April 2020.

The health and safety of our workers and the community is our key priority as we continue to deliver the Metro Tunnel Project, as is supporting physical distancing measures in line with current health advice.

As part of these measures, the Metro Tunnel Project team will deliver community information sessions regarding tunnelling online with interactive sessions and provide additional information available anytime on the Project website.

For more information on tunnelling for the Metro Tunnel Project, and what to expect during these works, visit metrotunnel.vic.gov.au/construction/building-the-tunnels-and-stations/tunnel-boring-machines. The project team will keep this web page up to date with new information during tunnelling.

If you have any questions about tunnelling in your area, you are invited to attend an online information session at 6pm Thursday 23 April.

At this session, our project team will provide an overview of tunnelling, our environmental management system including noise and vibration management, and answer questions you may have.

This session will be held via the free online video conferencing program, Zoom.

Online information session via Zoom

1 Register your interest

If you would like to attend this online session, please register your interest by emailing us at CYP@metrotunnelcyp-dc.com.au by **4pm, Thursday 23 April**. Please include your full name, residential address and any questions you may have with your RSVP.

Once you have registered your interest, we will email you further instructions on how to access the online session.

2 Attend information session

At **6pm, Thursday 23 April** click on the Zoom meeting link sent to you via your registration email.
